Frank Chigas
Elysia Chuh
Matt Ellis

Southern California musician and songwriter Frank Chigas formed Beautyland to showcase his diverse musical influences within the rock genre. His songwriting style evokes the sounds of the 60s and 70s, but is not fawning to them; instead, they act as a stepping board to further sound exploration.

Teaming with drummer Matt Ellis and bassist Elysia Chuh, Beautyland brings songs that touch upon many musical styles, from power pop and 70s glam to more ambient, dreamy textures. The lyrics hint at darker matters, often disguised within catchy melody lines or a sublime aural landscape.

The audience response to Beautyland's live shows has been inspiring, and the band continues to evolve. Beautyland's music may not change the world, but it may let you escape it for a while.
